

DSKZ2 - 12V

In accordance with EN13155 / max.
600 kg load capacity

with 8 suction pads 150K:
- **600 kg** load capacity
- incl. extension
with **1** suction pad each 150K

Technical data:

- 12 V battery operated
- dual circuit suction system
- warning system
- vacuum tank
- voltage display
- charging device
- manual rotation 360°
- manual tilting 90°
